*N.B.—The Regulations are liable to be altered in future years.*

1. On Tuesday, Mar. 28th, 1871, and following days, an Examination of Candidates will be held in London. At this examination not fewer than Candidates will be selected, if so many shall be found duly qualified. Of these, will be selected for the Presidency of Bengal [for the Upper Provinces, and for the Lower Provinces], for that of Madras, and for that of Bombay.\* Notice will hereafter be given of the days and place of examination.

2. Any person desirous of competing at this Examination, must produce to the Civil Service Commissioners, before the 1st February, 1871, evidence showing:—

- (a) That he is a natural-born subject of Her Majesty.  
 (b) That his age on the 1st March, 1871, will be above seventeen years and under twenty-one years. [*N.B.* [In the case of Natives of India this must be certified by the Government of India, or of the Presidency or Province in which the Candidate may have resided.]  
 (c) That he has no disease, constitutional affection, or bodily infirmity unfitting him for the Civil Service of India.†

and must also, before the 1st February, 1871, pay to the said Commissioners such fee as the Secretary of State for India may prescribe.‡

3. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the Candidate will, upon payment of the prescribed fee, be admitted to the Examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries, in the case of any Candidate, should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India, and if already selected, will be removed from the position of a Probationer.

8. The marks obtained by each candidate, in respect of each of the subjects in which he shall have been examined, will be added up, and the names of the candidates who shall have obtained a greater aggregate number of marks than any of the remaining candidates will be set forth in order of merit, and such candidates shall be deemed to be selected candidates for the Civil Service of India, provided they are in other respects

Should any of the selected candidates become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled up or not. In the former case, the candidate next in order of merit and in other respects duly qualified, shall be deemed to be a selected candidate.

9. Selected candidates, before proceeding to India, will be on probation for two years, during which time they will be examined periodically, with a view of testing their progress in the following subjects:—†

The Examination will be conducted by means of printed questions and written answers, and by *visà voce* Examination, as may be deemed necessary. The last of these Examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a selected candidate is qualified for the Civil Service of India.

10. Any candidate who, at any of the periodical Examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

11. No candidate will be permitted to proceed to India before he shall have passed the Final Examination, and received a certificate of qualification from the Civil Service Commissioners, or after he shall have attained the age of twenty-four years.

12. The selected candidates who, at the Final Examination, shall be found to have a competent knowledge of the subjects specified in Regulation 9, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of age, health, and character, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided that they shall comply with the regulations in force, at the time, for that service.

13. The seniority in the Civil Service of India of the selected candidates shall be determined according to the order in which they stand on the list resulting from the Final Examination.

14. Applications from persons desirous to be admitted as candidates are to be addressed to the Secretary to the Civil Service Commissioners, London, S.W., from whom the proper forms for the purpose may be obtained.

23 July 1870.

\* This right must be exercised immediately after the result of the examination is announced, on such day as may be fixed by the Civil Service Commissioners.

† Full instructions as to the course of study to be pursued will be issued to the successful candidates as soon as possible after the result of the open competition is declared.

‡ Including, besides the languages prescribed for the several Presidencies, such other languages as may, with the approval of the Commissioners, be taken up as subjects of examination.

NOTE.—(1.) The Secretary of State for India in Council has authorised the Civil Service Commissioners to state that it is his intention to allow the sum of £50 after each of the three first half years of probation, and £150 after the last half-year, to each selected candidate who shall have passed the required Examinations to the satisfaction of the Commissioners, and shall have complied with such rules as may be laid down for the guidance of selected candidates.

- (2.) All selected candidates will be required, after having passed the second periodical Examination, to attend at the India Office for the purpose of entering into an agreement binding themselves, amongst other things, to refund in certain cases the amount of their allowance in the event of their failing to proceed to India. For a candidate under age a surety will be required.  
 (3.) After passing the Final Examination each candidate will be required to attend again at the India Office, with the view of entering into covenants and giving a bond for £1,000, jointly with two sureties, for the due fulfilment of the same. The stamps payable on these documents amount to £3 10s.  
 (4.) Candidates rejected at the Final Examination of 1873 will in no case be allowed to present themselves for re-examination.

\* The number of appointments to be made, and the number in each Presidency, &c., will be announced hereafter.

† Evidence of health and character must bear date not earlier than the 1st January, 1871.

‡ The Fee of this Examination will be £5.

¶ "Nothing can be further from our wish than to hold out premiums for knowledge of wide surface and of small depth. We are of opinion that a candidate ought to be allowed no credit at all for taking up a subject in which he is a mere smatterer."—Report of Committee of 1854. A deduction of marks will be made under each subject, including Mathematics.
